READY FOR LOAN ISSUE

Kepoikai Submits Form of Bond.

Treasurer Kepoikai is preparing data for the bond issue authorized by the legislature, which after submission to Governor Dole will be submitted to the various banks for approval as to form. The bonds cannot be issued under the provisions of the act until the legislature has authorized loans, and then only in such amounts as are fixed by that body. The arrangements being made are simply as to form and denomination. Treasurer Kepoikai stated yesterday that the denominations would be probably \$100, \$200, \$500 and \$1000. He thought that a \$250 bond might also be issued. The bonds will bear interest at five per cent. There was a conference yesterday between the Governor and the treasurer yesterday as to the bonds, but no conclusion was reached.

The law as passed contains the following provisions:

Section 1. That the Treasurer of the Territory is hereby authorized and empowered, with the approval of the Governor, to issue from time to time Bonds of the Territory of Hawaii, with interest coupons attached thereto, to an amount not exceeding Five Million Dollars, the principal and interest to be paid in Gold Coin of the United States of America, or its equivalent at its present standard of weight and fineness, in the manner, upon the terms and for the purposes in this Act stated.

Section 2. No such bonds shall be issued, except in pursuance of an Act of the Legislature defining the purposes for which the same are to be issued, nor until approved by the President.

Section 3. All Bonds issued under authority of this Act shall bear interest, payable semi-annually, at a rate of not more than five per cent per annum, and be made redeemable in five years and payable in fifteen years from the date of issue thereof.

Section 4. All such Bonds shall be exempt from any and all taxes whatsoever, and the payment of the principal and interest thereof shall constitute a charge upon the consolidated revenues of the Territory.

Section 5. The proceeds of the Bonds so issued shall be exclusively devoted to the purposes for which the same are issued, as expressed in Act of the Legislature under which the issue of the Bonds is authorized.

Section 6. The Treasurer of the Territory may, with the approval of the Governor, determine the denominations of such Bonds to be issued under the authority of this Act, and the place in which the principal and interest of such Bonds, or any of them, shall be payable, and the method of their redemption. He may make such arrangements as may be necessary or proper for the sale of the whole or any part of each authorized issue. Such arrangements shall provide for the sale of such Bonds by the Government itself, by public advertisement for tenders, but no Bond shall be issued at less than two per cent below their nominal par value; and no indebtedness shall be incurred in any one year which shall exceed one per centum upon the assessed value of the taxable property of the Territory, as shown by the last general assessment for taxation.

Section 7. All Bonds issued under the provisions of this Act shall be lithographed or steel engraved, and shall be signed by the Treasurer of the Territory, and by the Registrar of Public Accounts, and be sealed with the seal of the office of the Treasurer. Interest coupons shall bear a lithographed or engraved facsimile of the signature of the Treasurer of the Territory.

Section 8. This Act shall take effect and become Law from and after the date of its approval.

JUDGE HITS WINE SELLERS

Punchbowl Corner Grocers Must Pay Heavy Fines.

Portuguese corner grocers who sell liquors without carrying license to do so, had a sorry day of it in the police court yesterday. Judge Dickey hit three of them pretty hard, and one received a \$500 fine. There were four Portuguese store proprietors from Punchbowl who were arrested on Saturday night by Deputy Sheriff Chillingworth and officer van Giesen.

The first man on the list, J. C. Abreu, pleaded guilty and was fined \$150 and costs. Antonio Paresa, Jr., put in the same plea and received a like sentence. J. J. Jardine it was supposed would plead guilty, but at the last moment, he determined to plead not guilty. There is a suspension of sentence resting against Jardine in a former case. M. J. Simoes had an idea he would win out against the Deputy Sheriff and fought his case with Attorney Vivas for his counsel. Simoes said that the native boy, who appeared as a witness for the prosecution, had purchased a bottle of soda and some crackers, and then asked to make his light meal in Simoes back room. Simoes said he permitted him to do so, the native boy taking the precaution to close the door behind him. The Deputy Sheriff was amused at this testimony, and the court room spectators smiled audibly.

When the Deputy asked how the boy happened to have a glass of wine in his hand when arrested, Simoes said he guessed it was a glass which he had accidentally left on a table after eating his supper. Vivas thought that the Judge would be better able to render a verdict, and probably in favor of his client, if he saw the premises and the layout of the rooms. After much argument the Judge announced his willingness to take a look. He was accompanied by Simoes, Vivas and the Deputy. When the Judge finished his inspection and was driven back to the court, he sentenced Simoes to pay a fine of \$500 and costs. Simoes admitted on the witness stand to having been convicted once before of selling liquor without a license.

Jardine, who secured a continuance of his case until today, making himself objectionable to the Deputy Sheriff by asking for one favor and another, was sent to the jail yard for several hours to cool his insistent manner down.

ANDREWS' NEW FIGHT

(Continued from page 5.)
 fore Judge Hapal this week in which the parties are J. S. Rickard of Laupahoehoe vs. W. S. Terry. The action arose out of a sale to W. S. Terry of \$100 worth of koa lumber, which Mr. Rickard claims as bailee for Sam Parker, LeBlond & Smith appear for the plaintiff and Wise & Ross for defendant. The complaint was met by a demurrer filed by Mr. Ross claiming that the petition was defective in that it did not set forth the facts necessary to show that the plaintiff was actually bailee. The point is one on which there are no decisions.

WOULD RAISE COFFEE.

Abel Louison of Hamakua, was in the city this week. In a conversation on the subject of coffee, Mr. Louison said that while in Honolulu, recently, he met a Chicago capitalist who was enthusiastic over the outlook for coffee in Hawaii. The capitalist, based all his statements on the condition that a four cent bounty be voted by the coming Congress. He said that with such encouragement, millions of dollars would go into the production of coffee in Hawaii.
